

Technical Programme

Using effective intervention techniques to bring back shut-in wells, extend the life of current assets, and prepare for end of well life all while reducing our carbon emissions is the focus of the 30th SPE ICoTA European Well Intervention Conference.

Why Get Involved?

- Largest and longest established conference of its kind in Europe
- Original Operator stand – talk to 10 Operators across two days
- High quality presentations with numerous Operator case histories and panel sessions
- Short techbytes and technology demos
- Exhibition showcasing the latest technologies
- Cost effective training counting towards CPD
- Support the industry – ICoTA Europe and SPE Aberdeen are not for profit associations

Keynotes

We will have two keynote sessions.

Day 1

Will set the scene for the conference and will feature:

- Russell Borthwick, Chief Executive, Aberdeen & Grampian Chamber of Commerce
- David Whitehouse, Chief Executive, OEUK
- Brenda Wyllie, Co-Chair of Wells Task Force

Day 2

Will focus on the challenges and opportunities of investing in, developing, and deploying new technologies for reviving wells, sustaining assets, and increasing sustainability. Our esteemed speakers include:

- Thomas Gautherot, Vice President - Drilling & Wells, TotalEnergies
- Andrew Douglas, Vice President - Global Strategy, NOY
- Stuart Ferguson, Chairman, Front Row Energy
- Matt Billingham, Technical Director Intervention Reservoir Performance, SLB

The Operator Stand

The Operator stand will be back this year, to offer you the chance to collaborate, network and promote new and established techniques in intervention technology to a much wider group of Operators. Make sure you visit the stand and tell the Operators what you can provide. The Operator timetable will be published on LinkedIn along with each Operators top 3 current issues to help in offering targeted solutions.

Technology Demos

A series of Technology Demos will take place in the Exhibition Hall during lunch on Days 1 and 2. The schedule will be published nearer the time.

ICoTA Award for Innovation & Technology

Celebrating excellence in the well intervention industry, the ICoTA Innovation Award is presented to a service company or Operator that has pushed the boundaries of well intervention technology. The winner will be announced as part of a drinks reception at 15:15 on Day 2 in the Exhibition Hall.

Networking Reception

The main networking reception will take place in the Exhibition Hall from 17:35 on Day 1. This is an excellent opportunity to network with peers, senior leaders, exhibitors and speakers. Drinks will be provided.

Social Event

All delegates will be invited to attend our social event at the end of Day 1, sponsored by Interwell. The event starts at 1900 at the Townhouse, South Silver Street, Aberdeen AB10 1PR. Drinks and nibbles will be provided. Taxis will be available for booking.
