

# SPE Aberdeen Well Late Life and Well Abandonment Conference

27<sup>th</sup> & 28<sup>th</sup> June 2018, AECC

Platinum Sponsor

“Managing Late Life Wells to Maximise Value & Optimise Abandonment”

## CONFERENCE PROGRAMME

The SPE Aberdeen Late Life and Abandonment Conference, sponsored by Well-Safe Solutions, in association with Schlumberger, Seal-Tite and Tendeka, is focused on maximising recovery from late-life wells, planning for abandonment, optimising abandonment operations and formulating what is required for post-abandonment monitoring.

The conference, which is in its 8th year, will benefit from bringing together those specialising in the areas of production optimisation, well integrity and those focused on abandonment operations from major operators, service companies and regulators.

The workshop will promote the sharing of innovative practices in these areas and promote collaboration across the spectrum of late-life production and well abandonment. Emphasis will be placed on best practice for maximising recovery, planning for abandonment and innovative abandonment solutions.

Attendees will hear about the latest updates to the OGUK Well Integrity and Well Abandonment Guidelines and ongoing work in production stewardship. Representatives of regulators and operator practitioners will provide clarification of guidelines, with discussion sessions to address issues and concerns. Active participation is expected.

For more information, see the Conference Programme overleaf.

### BOOKING INFORMATION

	SPE Member 1 Day	Non Member 1 Day	SPE Member 2 Days	SPE Non Member 2 Days	Student 1 Day	Student 2 days
<b>Early Bird – by 18 May</b>	£275 plus VAT	£325 plus VAT	£350 plus VAT	445 plus VAT	£52.50 plus VAT	£83.33 plus VAT
<b>Paid after 18 May</b>	£325 plus VAT	£375 plus VAT	£400 plus VAT	£ 500 plus VAT	£52.50 plus VAT	£83.33 plus VAT

### “Managing Late Life Wells to Maximise Value & Optimise Abandonment”

#### DAY 1 - 27<sup>th</sup> JUNE

07:30	<b>REGISTRATION</b>	
08:30	Opening Address - Oil and Gas Authority	Oil and Gas Authority
09:00	<b>REGULATION AND GUIDELINES UPDATES AND REVIEW</b>	
	Process Safety for Wells	Graham Skinner, HSE
	Update on 6th edition of Well Abandonment Guidelines	Katy Heidenreich, Oil and Gas UK
	Guidelines for Managing Offshore Decommissioning Waste	Martin Bjerregaard, D3 Consulting
10:30	<b>COFFEE BREAK</b>	
11:00	Value Case for retrofit intelligent well technology including case study	Paul Lynch, Tendeka
11:30	Delivering high performance in a major North Sea brownfield project: The Tyra Future project, Denmark	Alex Lucas, TOTAL E&P UK
12:00	New Interpretation methodology to improve Cement Evaluation in presence of Microannulus	Kamaljeet Singh, Schlumberger
12:30	<b>TECHBYTE SESSION</b>	
	Efficient P&A execution and cost reduction through the optimisation and continual development of a Swarf Handling System	Craig Martin, Romar International
	Case History: A New Approach to Section Milling: First Field Deployment of ‘Swarfless’ Section Milling System	Knut Inge Dahlberg, BHGE
	Alternative Permanent Abandonment Barrier Verification using CaTS™ Wireless Technology	Donald Horsfall, Expro Group
	A New Look at Sealing Utilising Bismuth and Thermite	Jeff Fulks, BisN
13:00	<b>LUNCH</b>	
14:00	Platform Well PMR Frequency: Justification For Change	Richard Conway, Repsol Sinopec Resources Ltd
14:30	Getting Old But Still Acting Young – Are Your Wells as Old as They look	Oyin Adeniji, Spirit Energy
15:00	Improving Late Life Well Integrity through Sustained Casing Pressure remediation	Thore Andre Stokkeland, Archer
15:30	<b>COFFEE</b>	
16:00	Managing Well Integrity on Erskine Normally Unmanned Installation (NUI), 1st HPHT Development in UKCS.	Iain Robertson, Chevron
16:30	Classifying Salt as a barrier for well abandonment – A case study from the Southern North Sea, United Kingdom.	David Dangfa, Spirit Energy
17:00	Don't Abandon Geophysics	Ryan Singlehurst-Ward, Shell
17:30	<b>NETWORKING RECEPTION</b>	

#### DAY 2 - 28<sup>th</sup> JUNE

07:30	<b>REGISTRATION</b>	
08:30	UK Decommissioning Market	Fiona Legate, Wood Mackenzie
09:00	Knowledge Development within Industry P&A Practises	Ben Foreman, Well-Safe Solutions
09:30	Long term well plug integrity assurance – A probabilistic modelling approach	Brian Willis, Astrimar
10:00	<b>COFFEE BREAK</b>	
10:30	Fit-for-purpose abandonment strategies: from conventional rig based abandonments to specialised modular equipment for conductor retrievals	David Esyter, ConocoPhillips
11:00	OGTC - Restoring production from shut-in wells	Sarah de Boer, OGTC
11:30	<b>TECHBYTE SESSION</b>	
	Step change improvements to PWC	Arne Larson, Hydrawell
	Helix Decommissioning Support	Ekene Ogbachie, Helix Energy Solutions
	Modular Innovation in Drilling and Decommissioning of Late life Assets	Charlie Fraser, Petro Well Services
	Providing effective isolation for abandonments utilizing Inflatable Bridge Plugs, following section milling operations	John Stewart, TAM International
	Subsea Well Envelope Integrity Assessment utilising Electromagnetic Pulse and Spectral Noise Logging – Case Study	Maxim Volkov, TGT
12:00	<b>LUNCH</b>	
13:00	Turnkey P & A: Control your risk without risking your control	A Livingstone & P Thomson, BHGE
13:30	Case Study: Shell UK Subsea Wellhead Recovery Campaign 2017	Rafaella Madella, Shell
14:00	Wells Abandonment Accelerated - Development of a Single-Trip, Casing-on-Deck System	James Linklater, Ardyne
14:30	Downhole Hydraulic Pulling Tool for More Efficient Casing Removal	Louisa Dahmani, BHGE
15:00	<b>COFFEE</b>	
15:30	Sonar Technology Aids Production	Alex Tree, Expro Group
16:00	Next Generation High Power Lasers Tools for Decommissioning and P&A	Alistair Agnew, ConocoPhillips & Scott Marshall, FORO Energy
16:30	Brent Abandonment Monitoring: The Vitality of Annulus Characterisation for Safe and Efficient Decommissioning	Ian Jackson, Shell
17:00	<b>CLOSING REMARKS</b>	

# Sponsorship and Exhibition Opportunities

All sponsorship opportunities will allow your logo to be positioned across all promotional materials, including SPE website, onscreen graphics and abstracts book. Your company will also be recognised by the Conference Chair. Additional benefits are outlined in each package below. All costs outlined exclusive of VAT.

## SPONSORED BY WELL-SAFE SOLUTIONS PLATINUM SPONSOR

- Opportunity to display an exhibition stand
- Two complimentary delegate passes

## EVENT SPONSOR – £2,750

- Opportunity to display an exhibition stand
- One complimentary delegate pass

## LUNCH SPONSOR – £1,200

- Logo displayed at catering points during lunch

## BREAKFAST SPONSOR – £800

- Logo displayed at catering points during breakfast

## REFRESHMENTS SPONSOR – £800

- Logo displayed at catering points during two refreshment breaks

## SPONSORED BY CHEVRON

### NETWORKING RECEPTION SPONSOR

- One complimentary delegate pass
- Two promotional banners displayed during reception

## CAR PARK SPONSOR – £1,600

- One complimentary delegate pass

## DELEGATE BAG SPONSOR – £2,400

\*These can either be provided in kind or can be sourced for you at a cost.

- Logo on delegate bags together with the event logo

## SPONSORED BY WELL-SAFE SOLUTIONS LANYARD SPONSOR

\*These can either be provided in kind or can be sourced for you at a cost.

- Logo on lanyards together with the event logo

## SPONSORED BY BAKER HUGHES

### STATIONERY SPONSOR

\*Pens and pads can either be provided in kind or can be sourced for you at a cost.

## EXHIBITION OPPORTUNITIES (ONLY 16 STANDS AVAILABLE)

The Conference will incorporate an industry led exhibition which will run alongside the main technical presentations. There will be ample opportunity for maximum interaction between exhibitors and delegates during the registration period, coffee breaks, lunch break and networking reception.

- A basic exhibition space (approx. 3m wide x 2m deep) is suitable for a pop-up portable display stand or table top display. Two or more adjacent units can be combined to make a larger space
- A floor plan for the exhibition will be distributed nearer the event date.
- There will be free wireless access available to all delegates and exhibitors

### INCLUDED IN THE STAND PACKAGE

- One free delegate to attend the seminar (any additional attendees must register and pay as delegates)
- Logo in event brochure issued to all delegates
- One trestle table and two chairs will be provided per single unit

Please note that exhibitors will be required to hand carry or trolley exhibits and materials to the room. No heavy lifting/forklift facilities will be available.

### COST OF EXHIBITION PACKAGE

Exhibition stands are available at a cost of £750 plus VAT
